01 / WHICH ONE FOR WHAT

THREE TIERS

Anthropic recommends starting most coding and knowledge work with Opus 5.5. They call it their strongest daily driver.

- **F** **Fable 5.2 – big, hard, open-ended**
- **O** **Opus 5.5 – the default**
- **S** **Sonnet / Haiku 5.5 – simpler**

02 / EFFORT

HIGH ≈ OPUS MAX

Effort sets how much the model thinks. In coding, Fable 5.2 on High roughly matches Opus 5.5 on Max.

- (H) **Fable 5.2 High: 45.3%**
- (M) **Opus 5.5 Max: 45.5%**

for about half the cost

04

03 / LOW EFFORT

LOW CAN BE ENOUGH

On a hard knowledge test (Humanity's Last Exam), Fable 5.2 on Low matches Opus 5.5's top score.

L Low effort = Opus top score

$ cost < 1/10

no need to max it

04 / PRICE AND LIMITS

$8 IN, $40 OUT

Per million tokens. Fast mode is up to 2.5x faster at double the price ($16 / $80). On Pro, Fable can use up to half your weekly limit.
